

## INTERNATIONAL PARTNER AGREEMENT (IPA)

### Section A:

This International Partner Agreement (the "Agreement"), made this 1<sup>st</sup> day of October, 2018, by and between the ASSOCIATION ZHELEZOBETON [STRUCTURAL CONCRETE ASSOCIATION] ("SCA") its successors or assigns, with offices located at 22-2 Ryazansky Prospekt, Moscow, 109428, Russia, and the AMERICAN CONCRETE INSTITUTE ("ACI") with offices located at 38800 Country Club Drive, Farmington Hills, MI 48331, supersedes any existing or previous agreements between the ACI and SCA (hereinafter referred to as the "Partners").

The purpose of this Agreement is to increase collaboration and cooperation between the Partners for the purpose of improving concrete construction by making technical expertise of each Partner available to the other through publications, meetings, conferences, Internet links, committee membership, certification activities, and any other activity as mutually agreed.

Section B: *(This section will include activities mutually agreed upon. See Section B for details).*

This IPA may be terminated by either Partner with thirty (30) days written notice.

Neither Partner may use the other's name in a way that would imply endorsement of its technical reports or publications unless that publication has been reviewed and approved in writing for use as a joint publication.

As the Partners have entered into this Agreement to improve concrete construction by making technology expertise available, their authorized representatives hereby sign and commit each Partner to the activities described herein. This is a non-exclusive agreement to signify the cooperative efforts of the Partners.
